EXPLANATION GAMES & QUIZZES

Receive ticket(s)

After you purchased a ticket on the website, you will receive this email (example):

If you bought several tickets, you will receive separate emails (one per ticket).

Open the unique link from the email on a suitable smartphone. This is the phone with which you are going to play the game or quiz. But only click on the link when you are going to play the game and **after you have read this explanation fully**.

Which smartphone can I use?

The smartphone has an operating system of at least Android 9 or iOS 12; a 6 inch screen; including a Google Play or Apple Store

We do not recommend using a work phones due to possible limitations to GPS (location), audio and/or camera.
NB: Did you use our app before? Please download our newest app in the Google Play or Apple Store on your smartphone

It's time to open your unique link on a suitable smartphone

Click on the link from your smartphone at the moment you would like to start playing the game.

After you clicked on the link (on your smartphone), the green logo with the letter **M** will appear on your screen.

Click on the logo and the app and chosen game will be downloaded automatically.

NOTE: Wait until everything is completely downloaded, in the meantime do not do anything else on your smartphone! If you interrupt the download, the internet may not get the whole game and the app cannot be used.

ONLINE GAMES

Are you sure you want to start the game right now?

Once the game is downloaded, a pop-up will appear on the screen asking if you are sure you want to start the game right now?

Please press the button **YES**. A timer will start counting down from 72 hours to zero. This is irreversible.

After you pressed **YES**, the app will ask permission to use location, camera and audio. **Please allow all**.

You no longer need internet during the game.

How can we play a competition?

If you purchased multiple tickets, you can set up a competition. Start playing at the same time. Agree either on a time limit or decide to play all of the challenges in once. Which team scored the most points?

How do we start the game on the app?

After you pressed YES, the game will start.

Enter a team name of **at least 3 characters**. The start screen of the game will appear after you entered a team name.

You will start the game by pressing 'menu' at the bottom of the screen. Choose challenges and select start to begin.

Are you playing with several people but all from your own home (through video connection)?

Then you can share your screen via MS Teams or Zoom so that everyone will be involved.

ONLINE GAMES

What should I do if my smartphone crashes?

During the game, you can use other apps on your smartphone and switch between different ones.

If our app crashes, please swipe all of the active app away. Then open the MooveGO app again and click on continue to start continue where you left off.
